

How To Add LOD Social To Your Facebook Page

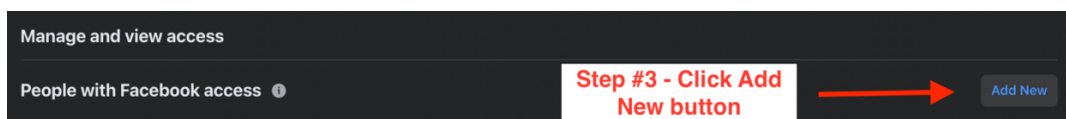

Step #1 - Go to your Facebook business page, then click Manage

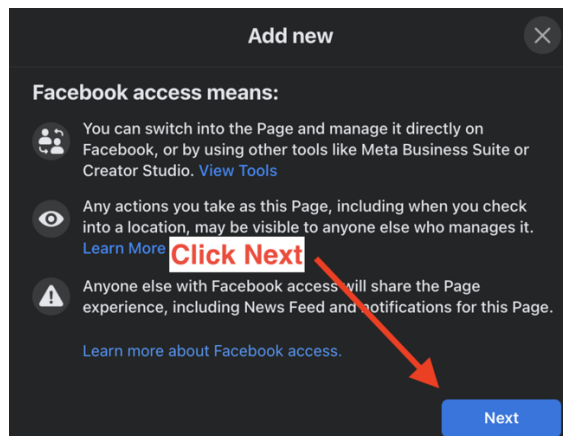

Step #2 - Click Page access in the left side bar

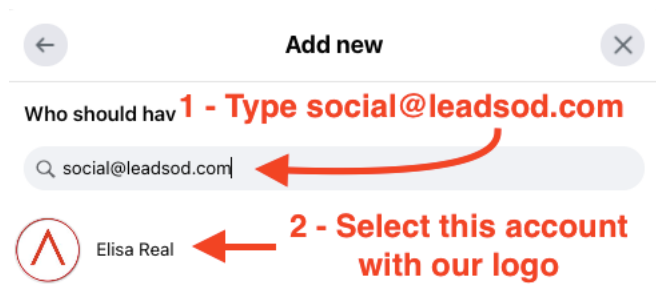

Step #3 - Click Add New button

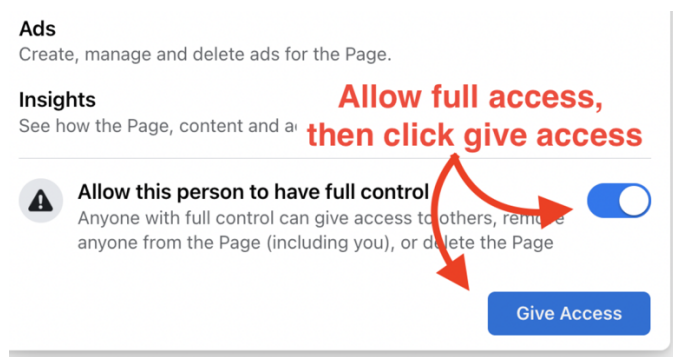

Step #4 - Click Next

Step #5 - Type in social@leadod.com, and select the account with our logo, Elisa Real.

Step #6 - Allow full access and click Give Access.

You're all set! Now we can schedule your content and will notify you when your posts are ready.

Note If you would like us to post to your Instagram account as well, please ensure

1. Your Instagram account is a Business Account. This can be done in your Instagram settings.
2. Link your Instagram account to your Facebook page in your Facebook business page settings.

This allows us to schedule content to both accounts without having to log in.
